

what we do...

We are a ceramic painting studio, fun for adults and children!

Come to create your own masterpieces on a range of ceramics, wood, and glass, in a fun and friendly atmosphere.

You don't need to be brimming with artistic skill, as our helpful staff can show you different techniques so that you can create exciting effects and eye-catching images.

We are open 7 days a week, all you need to do is pop in when you have a few hours free. Choose your ceramic item from our huge selection: plates, mugs and vases through to ceramic figures.

Items start from £8 + the studio fee of £5.95 per day, per head. (The studio fee covers all the paints, glazing and firing)

Painting is suitable for all ages, and with a helping hand from our staff you will be able to create an item that is worth treasuring!

Leave your piece with us for 6 days and collect it once it has been fired. It is then dishwasher and food safe.

We serve teas and coffees as well as snacks and cold drinks. Also feel free to bring a bottle of wine, or order in a pizza! (Remember our late nights: Tuesday open till 8pm & Friday open till 10pm)

baby prints...

Make memories! We will talk you through the best way to get your baby's footprint onto a plate, mug or bowl!
