WHAT WE DO

We are a ceramic painting studio, fun for adults and children!

Come create your own masterpieces on a range of ceramics and glass in a fun and friendly atmosphere. You don't need to be brimming with artistic skill, as our helpful staff can show you different techniques so you can create exciting effects and eye-catching images. We are open 7 days a week, all you need to do is pop in when you have a few hours free. We have a vast selection (well over 500 different items) for you to decorate, from mugs and dinnerware to vases and ceramic figures.

Please refer to our website for current pricing. Each person pays for the item(s) that they choose, plus the studio fee, which is good for the day, regardless of the number of items that they paint. The activity is suitable for all ages, and with creative advice from our staff, you will be able to create an item that is worth treasuring!

Leave your piece with us for about a week and collect it once it has been fired. It is then dishwasher and food safe.

Feel free to bring in your own coffee, beer, wine, or even order in a pizza!

Our late night hours are listed on our website.

ADULT GROUPS

Celebrate by having a party at Art 4 Fun! Whatever the occasion, day or evening, birthdays, get together, hen parties, promotions, team building, etc.

No minimum number of people. Bring a birthday cake, or even send out for pizza, Chinese, or Indian. Bring a bottle of wine or two.

Friendly, helpful staff are on hand who will ensure that everyone has fun and that your party is a success.

HEN PARTIES

Planning a hen do? Before you go out on the town, why not relax with your friends during the day in our creative atmosphere?

Option one

Paint a dinner set for the hen. Select a set of items, each person paints 1 or 2 items and then you divide the cost evenly.

Option two

Studio fee per painter + item cost, and everyone contributes to a piece for the Hen, like a platter with all your signatures on it!

Option three

Studio fee + item cost. Paint an item for yourselves, or for the hen. Collect the masterpieces once glazed and fired.

CORPORATE PARTIES / TEAM BUILDING

The most common thing we hear from adults: "I am the most uncreative person you have ever met."

There is nothing better than getting a group together from the office and throwing them into a painting session. Many people will feel anxious and out of their depth but a glass of wine on arrival will help calm their nerves! Ceramic painting is one of the best mediums to achieve fantastic results, even on your first attempt despite a perceived lack of creativity or artistic ability. Our experienced and enthusiastic staff will be on hand to give expert advice whenever needed.

CHILDREN'S PARTIES

Theme parties

Our famous plate painting workshop! Please refer to our website for current pricing. Pick a theme for your party from our wide range including, "Fairies & Wizards", "Under the Sea", and "Purrfect Pets". All children paint a plate of their own with the help of our friendly staff as you, the parents, can relax and enjoy the festivities. Order in a pizza or bring in sandwiches, as well as the all-important cake. Invitations and a special souvenir tile are included! Perfect for kids aged 5 and up (minimum of 10 children) OR ask our staff about a budget-your-own party, subject to availability.

For parties of less than 10

BABY PRINTS

Make memories!

We will talk you through the best way to get your baby's footprint onto a plate, mug, or bowl! We advise that you bring a friend to help, as it can be a two person job!
